BURNED.

Monday night about 11 o'clock the barn of M. W. Doty & Co., about a mile from town, was totally destroyed by fire. Ten mules were in the barn at the time, and five of them were saved. Two of those burned belonged to Messrs. Gooding and Elliott, who carried no insurance. The total loss of M. W. Doty & Co. foots up about \$1500. The amount of insurance was \$1400. The origin of the fire is unknown.

DEATH OF MRS. LEITNER.

Thursday morning at 8.30 Mrs. C. C. Leitner nee Hendrick quietly breathed her last at the home of Mr. Thomas Blair's, near Rockton. For several years she had been in very feeble health and for the last few months her end has been expected at any time. She had reached the ripe age of 71.

She leaves six children—Mrs. C. P. A. Broom and Mrs. T. G. Lever, of Columbia, Mrs. W. P. Broom, of Augusta, and Mrs. Thos Blair, Mrs. W. P. Blair, and Mr. T. C. Leitner, of Rockton. The first two were of her first marriage to Mr. D. Hamiter, of Richland; the rest were of her second marriage to Mr. J. W. Leitner, who passed away in '64 while in the service of his country.

Mrs. Leitner was a most consistent member of the Methodist church. Her remains will be interred today in the cemetery at Greenbrier church. Her pastor, Rev. E. P. Taylor, will conduct the last sad rites.

Her children and grandchildren have a rich heritage in her long life. They also have the deepest sympathy of hosts of friends in this sad hour.

MCCARLEY-MOORE.

Waterloo, S. C., March 6.—Our community has been recently awakened by the merry chimes of the ever exhilarating wedding bells. Mr. W. J. McCarley, of Chester, and Miss Maggie Moore, daughter of Mrs. Wm. Moore, were married at the home of the bride's mother on Wednesday last at 4 p. m. Rev. M. R. Kirkpatrick conducted a very solemn and impressive ceremony in the presence of a small concourse of relatives.

At 4.30 p. m. dinner was announced, whereupon all repaired to the spacious dining hall to partake of the many good things that were so abundantly spread before them.

The groom is well known all over this county as a man of sterling worth, noted for his many traits of goodness such as honesty, intelligence, industrious and energy.

The bride will be sorely missed in our community both in social circles and in church. Her love of amusement and enjoyment, also religious inspirations, was ever a medium of magnetism to our circles. May her influence not decrease, but have a broader sweep during the years which we hope shall be many that she is still to live.

Our congratulations are benignantly tendered him who is to be blessed with such a companion for life.

The happy couple will make their home in Chester. A Friend.

RIDGEWAY NEWS.

Ridgeway, S. C., March 6.—The gripe has made its appearance in our town again, and quite a number of our citizens are afflicted with it.

The municipal election takes place soon, and there will probably be a large number of candidates for both mayor and aldermen, as all these positions pay handsome salaries, so we

are sure to have a fine crop of candidates.

We learn that Dr. Ott and Mr. O. F. McEachen will commence business at an early day. We wish them success in their new enterprise.

D. Ballock and family are visiting the family of Capt. W. J. Johnson. Mr. Wm. Boyd, of Winnsboro, was in town a few days ago.

Hon. J. D. Harrison attended the Washington inauguration on Monday. Master Robert Coleman left on a visit to Florida on Monday last.

Mr. James Bolick, of Columbia, is spending a few days with his parents. Mr. Henry Heins, formerly of Ridgeway, is again in town shaking hands with his many friends.

We hear Messrs. Ruff & Co. contemplate building a new brick store soon. The business portion of town will soon be all brick, which will greatly improve its appearance. Now is a good time to commence the cotton factory. Occasional.

CLUB MEETING CALLED

The Town Democratic Club is requested to meet in the Town Hall to-night at 8 p. m., to decide whether or not it is advisable to change the present method of nominating intendants and town council to the primary method.

HIS TOES FOR A RIDE

Yesterday about 1 o'clock as Mr. W. R. Doty was going home for his dinner, he noticed just below the crossing in front of Mr. Creight's a negro nursing his foot. Attracted by the manner, Mr. Doty went to him and found that he had just been run over by a train. Mr. Doty at once had him sent to a physician, who amputated three of the toes on his left foot. The negro was Isaiah Dennis and the three toes was the price he paid for a ride which he was taking on a local train from the cotton mills up town. Isaiah's misfortune should prove a wholesome example to those who try to get free rides.

Robbed the Grave.
A startling incident of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying Electric Bitters; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life and robbed the grave of another victim." No one should fail to try them. Only 50 cents per bottle at McMaster Co.'s drug store.
